Last year's graduates received a total of over 2 million in academic scholarships.

THE BOARD OF DIRECTORS: Universal School is governed by a well-diversified, group of Muslim professionals who are not only active in the school, but in the community at large. There are nine members, seven men and two women. These individuals who volunteer their time oversee the basic functions of the school.

CURRICULUM AND ACHIEVEMENT: The elementary level adheres to an accelerated academic program that leads the students in the high school level to our college preparatory program offering Advanced Placement and Honors classes. Our elementary school students, on average, performed better than 90.6%, based on the National School Norms, when compared to students in other private and parochial schools in grades 2nd through 8th, on the Iowa Test of Basic Skills.

Our high school students' scores averaged from 23.0 to 24.6% for the last four years on nationally conducted achievement tests such as the SAT and ACT, with the score of 34 out of 36 as the highest ACT score, and a perfect 800 out of 800 on the SAT subject test score obtained this past year by Universal Students. This is well above the national average of 21.1 and State average of 20.9.

THE FACILITY: The spacious 70,000 square foot modern facility includes thirty-six classrooms; a state of the art, fully equipped science lab; two computer labs; one journalism lab; library-media center; a cafeteria with a full service kitchen; an indoor regulation size basketball court; soccer field; and a playground.

All teachers of core subjects are certified in their respective fields where certification is offered. Over forty percent have earned at least one Master's Degree in an education-related field, the remaining have Bachelor's Degrees. Three high school teachers are currently completing their Ph.D. Several elementary and high school teachers have been chosen annually, as Who's Who among U.S. teachers. Over 50% of the elementary faculty graduated with honors from their respective alma mater. The elementary and high school teachers have an average of nine years teaching experience behind them.

ISLAMIC AND ARABIC/QURAN EDUCATION: The primary objective of our Islamic studies and Arabic program is to firmly root students in a Muslim-American identity that expresses itself in their speech, character and actions as well as to develop conversational Arabic, to build a sufficient vocabulary, and to learn the rudiments of Arabic grammar. Universal School utilizes the Noranyeh learning system for memorialization of the Quran.
